The H+H Americas tradeshow provided excellent opportunities to connect with old and new colleagues in person and online. I look forward to attending in the future.

This was such a fun event for our city! HHA reminded me of the big trade shows I've attended in Europe. I left feeling inspired with a renewed love of all things textile and sewing.

The most recent HHA show in Chicago was absolutely amazing! I enjoyed it so much, that I have already scheduled to attend it next year. Hope to see you there, as it's a show you don't want to miss!
